## *Report from Havre.*

HAVRE, FRANCE, *June 30, 1900.*

SIR: I have the honor to report that on the 23d instant the steamship *La Touraine* sailed from this port with 131 cabin and 205 steerage passengers. On the 30th instant the steamship *La Gascogne* sailed with 119 cabin and 735 steerage passengers. Some 340 steerage passengers intended for the *Touraine* were left over for the *Gascogne*, as they arrived an hour too late for the former vessel. All these passengers were inspected and vaccinated as usual, those left over being inspected twice—on arrival at Havre and before embarking. There were disinfected for these 2 vessels 92 packages of bedding and 5 trunks.

Respectfully,
